Who's there?

Art!

Art who?

(You know who – your friends at Zenith) Without laughter, life would be intolerable. In fact, laughter is so important to us, humanity highly rewards members of one of the most unusual professions on earth; those who make a living by inducing laughter in others!

“This is very strange if you stop to think of it: that otherwise sane and responsible citizens should devote their professional energies to causing others to make sharp, explosive barking-like exhalations.” - **Steve Allen**

“They laugh they win.” - **William Shakespeare**

“Laughter is the closest thing to the grace of God.” - **Karl Barth**

“And if I laugh at any mortal thing, 'tis that I may not weep.” - **Lord Byron**

“It’s no use crying over spilt evils. It’s better to mop them up laughing.”

- **Eleanor Farjeon, in Gypsy and Ginger (1920)**

Please join Zenith Gallery for some much needed election season...
